Premier Brand Fit Guide

NORTH END SPORT NORTH END SPORT

MODERN FIT: A sleek, modern silhouette made to fit closer to the body for a fashion-forward appeal. Using tailoring techniques, North End Sport creates a slim, tapered silhouette through strategically placed seaming, pleating and panels to create an updated fit.

NORTH END extreme CORE365

A current silhouette that suits everyday wear with an updated **TRADITIONAL FIT** to allow movement comfortably. Active inspired details and fabrics allow these garments to suit your everyday activities while creating an easy, professional look.

DEVON & JONES

ACTIVE FIT: A slightly trimmer cut than classic fit for a clean professional look, without excess bulk.

CLASSIC FIT: A relaxed silhouette, straight cut throughout for conventional comfort and fit.

H HARRITON

Harriton's **UNIVERSAL FIT** offers all day functional comfort fits that allow for ease of movement. Designed with light industrial and service environments in mind, Harriton garments are built to fit the everyday workplace, whatever the day requires.

Finding your perfect garment size is easy

How to Measure

CHEST: Measure just under the arms, across fullest part of chest, around shoulder blades holding tape firm and level.

WAIST: Measure your natural waistline, keeping one finger between the tape and the waist.

HIP: Stand and measure around the fullest point of hips.

SLEEVE LENGTH: With arm relaxed at side and slightly bent, measure from center back neck, over the shoulder, down to the outer wrist.

INSEAM: Stand and measure from center crotch to bottom of ankle bone. (Please refer to specific style for garment inseam length.)

UNISEX: Men's medium is similar to ladies' large. Sleeve length will be about 1-1½" longer. Body of garment is not form fitting. Unisex medium is equivalent to men's medium through chest and sleeve length.

TALL SIZES:

Men's garments have added length in the body and sleeves. Short-sleeves are 1" longer, long-sleeves and body length are 2" longer.
